## Harwood tops off Saint Ann Court

Dallas Business Journal

The builders of luxury office building Saint Ann Court are staging a topping out ceremony Friday.

A topping out ceremony is an event that allows a building's developer to celebrate the fact that the last beam has been placed at the top of the building.

Developer **Harwood International** is behind the Class AA luxury office building.

The completed building will have more than 320,000 square feet of office space to lease out to tenants and 26 distinctive floors.

The building was designed by **Perkins + Will**, Shimoda Design Group and BOKAPowell.
